Procurement and Contract Administration Virtual Training

April 30 – May 1, 2025

Register [HERE](#)

This 2-day training will provide an orientation to the procurement requirements for Tribal projects and how to comply with the provisions of 2 CFR Part 200 as well as compliance with the NAHASDA statutes and regulations. The training will discuss each relevant component of the Uniform Guidance to provide participants with the basic knowledge to effectively oversee the procurement process for NAHASDA funded projects.

This training is intended to be an introduction to participants who have an understanding of contract management, and for those who need a refresher on best practices for a compliant procurement process.

Topics will include:

- NAHASDA & Uniform Guidance
- Indian/Tribal Preference in Procurement and Contracting
- Methods of Procurement
- Procurement Policies
- Documenting the Procurement File
